

Choose Your Own Adventure: MANAGED SERVICES VS. DIY

Are you still managing your environments?
See how Managed Services can help.

Benefit 1:

Reduce Total Cost of Ownership

Our Managed Services engineers have deep technical knowledge of Actimize products and solutions. By sharing this knowledge, clients can see significant cost savings from day one.

Managed services provides cost advantages over the direct employment model - **often saving you as much as 50 to 60 percent.**

“ From batch optimization, system upgrades and rule tuning, to product support and infrastructure maintenance, Actimize Managed Services offers dramatic savings in time and resources.

Benefit 2:

Eliminate the Learning Curve

Limit the stress of maintaining daily operations on your own and allow us to fully manage and ensure that your environment is up to date.

Get immediate peace of mind with expertise from day 1.

“ Work with NICE Actimize engineers who are experts in the use of our solutions and have up-to-date industry knowledge. This means you can concentrate on retaining and attracting staff who drive business value, leaving the heavy lifting, such as patching, maintenance and incident response, to us.

Benefit 3:

Faster Time to Value

Make sure your environment is healthy, optimized and delivering maximum value from our solutions. With real-life experience of maintaining and operating client environments globally, NICE Actimize brings our experiences and knowledge of best practices to your organization for maximum return on investment.

“ With NICE Actimize Managed Services, you have a dedicated team of people who know your environment and can assist with issues as they arise.

Moving forward with
Managed Services is a big step –
we’re here to help guide you along the way.

Get the Full Story

NICE Actimize is the largest and broadest provider of financial crime, risk and compliance solutions for regional and global financial institutions, as well as government regulators. Consistently ranked as number one in the space, NICE Actimize experts apply innovative technology to protect institutions and safeguard consumers and investors assets by identifying financial crime, preventing fraud and providing regulatory compliance. The company provides real-time, cross-channel fraud prevention, anti-money laundering detection, and trading surveillance solutions that address such concerns as payment fraud, cybercrime, sanctions monitoring, market abuse, customer due diligence and insider trading.
