

## buguroo Joins NICE Actimize's X-Sight Marketplace, the Industry's First Financial Crime Management Ecosystem

*Partnering with the X-Sight Marketplace, buguroo will offer anti-fraud solutions utilizing Behavioral Biometry and Malware Detection technology*

**Hoboken, N.J., July 17, 2019** – Helping financial services organizations keep up with a changing market landscape, **NICE Actimize, a NICE business (Nasdaq: NICE)** and leader in autonomous financial crime management, today announced that [buguroo](#), specialists in anti-fraud and online security, has joined the X-Sight Marketplace, the industry's first financial crime risk management-focused ecosystem designed to assist financial services organizations evaluate new point solutions and move to stay on top of a challenging regulatory and criminal environment.

The X-Sight Marketplace leverages the X-Sight Platform-as-a-Service and further expands the functionality offered by the platform. The NICE Actimize X-Sight Platform-as-a-Service offers a single, unified, cost-effective way for financial service organizations to rapidly innovate and to introduce new services while supporting best-in-class financial crime, risk and compliance management capabilities.

buguroo, known for protecting customers at some of the world's leading financial institutions from impersonation and manipulation attacks, will offer the NICE Actimize Marketplace an anti-fraud solution that detects online fraud utilizing behavioral biometry and malware detection technology. NICE Actimize customers could use this capability to detect and prevent online fraud while improving user experience.

Technology providers such as buguroo, in partnering with NICE Actimize's X-Sight Marketplace ecosystem, are first reviewed for their ability to complement financial crime and compliance solutions before joining the marketplace. Once approved, software and service providers become available to the NICE Actimize community via the X-Sight Marketplace. FSOs can quickly browse through X-Sight Marketplace solution categories to find scalable options that solve their unique business problems.

"buguroo appreciates this partnership with NICE Actimize as we bring innovation and business value to financial services organizations through our unique approach to provide protection against cyber-attacks involving identity theft or customer manipulation present in any online fraud scheme," said **Pablo de la Riva, CEO & Founder, buguroo**. "There is strong alignment between the industry-leading financial crime solutions and platforms that NICE Actimize offers its community and buguroo. We look forward to building our presence on this innovative community platform."

"buguroo shares our common goal of fighting financial crime through the benefits of the X-Sight Marketplace community," said **Craig Costigan, CEO, NICE Actimize**. "By connecting via a cloud environment, community participants will experience a quicker time to value and minimized integration cost as they evaluate new solutions for their financial services organizations. We look forward to developing our relationship with buguroo as the X-Sight Marketplace grows."

Additional categories that will be added to NICE Actimize's X-Sight Marketplace from other partner participants will include: ID Verification, Ultimate Beneficial Ownership, Value-added Data & Adverse Media, Watchlist, Device Identification, and User Authentication & Fraud. Additional partners will be announced as the X-Sight Marketplace grows.

### About buguroo

buguroo is a Spanish company with more than 15 years of fraud prevention experience. Since 2015, buguroo has offered a comprehensive solution for online fraud prevention known as bugFraud. With this solution, companies with high Internet exposure across the globe protect their customers in real time from phishing, malware and Account Takeover.

The use of Deep Learning and Behavioral Biometrics, and a team of experts with more than 15 years' experience in cybersecurity, have made buguroo a global leader in the fight against online fraud.
